

Court House Banners for Memorial Day

On Saturday, April 26, at 9 a.m. we will meet at the bandstand to install the 13 banners around the square. We have nine banners in memory of men killed in action and four banners for the services (Army, Navy, Marines and Air Force).

Families of the honored men have been invited to join us and we would love to have representatives of the different branches of service to be there to help put up their banners.

We will also be installing the large banner that announces the Memorial Day Parade.

If you would like to come to watch, that would be great, but if you want to help with the installation, the tools needed are: 9/16 socket wrench, 1/8 inch allen wrench and step ladders. The ladders need to be 8 feet or larger. If you have a big ladder and would like to donate it for a couple hours, that would help.

With help, it should take about an hour and a half, so please consider joining us.

*Thanks,
Mark Brown*
